Hi David,

Attached is the draft of the letter with comments relating to your amended Notice that will need to be addressed before your amended Notice will meet the state rules. You will see a signed copy of the final version of the letter soon. There may be a few modifications.

I know there is a question about the permit fees. Once Emily or Penny receive the information they need (showing that you paid 2013 fees), then the request in the attached letter for 2013 fees can be disregarded.

Let me know if you have questions. Thanks.

Peter
